Westside Alma Mater

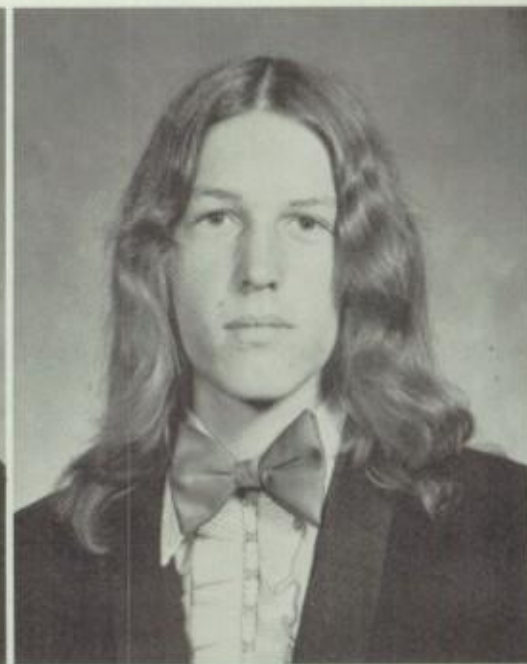

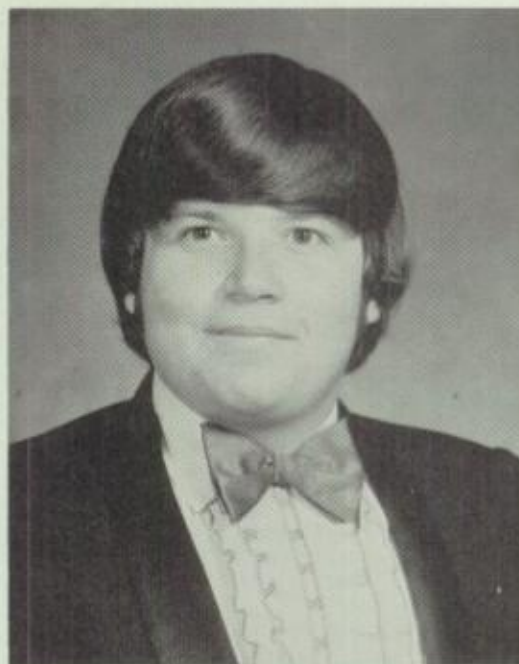

On our city's northwest border,
Proudly standing by,
Is our dear old Alma Mater
Dear Old Westside High.
By thy students loved forever,
Memories shall throng,
Help our hearts of Alma Mater
Sweetly sing this song.
Help us fight, fight, fight forever
Conquer over all.
Hail to thee, O Alma Mater,
Westside High hail all.

A Senior's Prayer

As we, the Senior class of 1974, 133 strong, come to the first milestone of our life, may we have the courage to face the world and duly appreciate our benefits. May we feel within us due respect and owe for those factors which have made our education possible. May we feel for our parents a strong final love and remain true and near to them always.

May we feel their principles which they have set before us and permit them to influence our actions of later years. May we revere our state and nation for the school they have given us. May we ever serve them loyally and may our patriotism for the greatest nation in the world never waver.

May we respect the ideals of the teachers who have been placed in our school. May the guidance our principal has lent us have an everlasting impression in our young minds. May we work closer to our heavenly Father and feel his love manifested in our surroundings. May He use us for his work and may He be pleasant with us.

As we look into the future, may we hold fast to the idea of ideals that we have been instilled within us. May we keep the friendships of our past but may we not be so fettered, we can not go forward in conquest of adult happiness and success. May we live our lives so that somehow, someway, we may serve our fellowman. May we each feel the importance of our station in life and fill it to the best of our ability.

May we appreciate the efforts of others for our betterment. May we keep faith in ourselves at all times. May we, when we find ourselves in error, have the courage to admit guilt and start a new, better for the experience. May we never become so learned or so proud we are not willing to learn from the humble.

As our final goal may we feel within our hearts the satisfaction of success and happiness.

By.
